Leave a Lasting Legacy

and help pave the way for a beautiful and serene devotional area honoring the Holy Family.

Join the many parishioners who have already purchased a commemorative paver and the Knights of Columbus who purchased and installed the statue of Holy Family in 1992.

What a great gift to honor your family, a family member or a friend. This is a way to express your gratitude or to recognize a birthday, an anniversary, a sacrament or to memorialize a loved one.
